

Close the Loop

RESOURCE RECOVERY
CERTIFICATE

BATTERY RECYCLING

Power Engineering Services

This certificate confirms that between 01/07/2023 and 23/04/2024, Power Engineering Services recycled a total of 5.82kg through our Battery Recycling Program.

Thank you for being a part of the circular economy!

* Close the Loop guarantees its brand promise of 'zero waste to landfill' which is further confirmed by an annual independent audit.
